Consider **bestseller Leading Man (Drakkar Type) Goat's Milk Soap** for men that are impossible to shop for.

Where are the opportunities?

Speak to your friends about **easing the stress of Holiday shopping**, while supporting your fundraiser at the same time.

THINK!! Teacher gifts, white elephant presents, hostess gifts, and that person you know who already has everything.

Respectfully,

Dana, from your Fundraising Team www.NaturalSoapFundraising.com

Fundraising Tip # 2

Enlist help from your friends. Ask them to promote your fundraiser to their local communities, and consider purchasing your fundraising products for future gift needs.
